Age: 59

Occupation: Salt Lake County Recorder

Residence: Salt Lake City

Years at residence: 30

Qualifications: For the ten years that I have been you County Recorder I have consistently made changes, changes for the better. By embracing technology and innovation a new Recorder's Office has evolved. We are more accurate, and much faster than any Recorder's office I have visited, and while serving as Director at large for IACREOT, a national Recorder's association, I have visited Recorders across the nation. There are some offices that are very good but the Salt Lake County Recorder's Office is amazing.

It is only proper that if I ask you for your vote you should know a little about me. I am proud to be an Army Veteran, I enlisted I was not drafted. I am a Utah native; born in Panguitch Utah, graduated high school in Cedar City Utah, and earned my degree at Utah State University in Logan Utah, and have lived in Salt Lake City since 1980. This is my home and I love living here.

Thank you for allowing me to serve.

Gary Ott
